

# Turner Jordan

**Address:** Box 96741  
Durham, NC 27708  
**678-572-5533**  
**turner.jordan585@gmail.com**

## EDUCATION

### **Duke University, Durham, NC — *B.S., Computer Science***

August 2017 - May 2021 (expected)

Coursework: Data Structures and Algorithms, Introduction to Machine Learning, Introductory Topics in Statistics, Linear Algebra and Applications, Computer Architecture, Introduction to Policy Analysis

### **Spalding High School, Griffin, GA**

September 2013 - May 2017

## LANGUAGES

Java, HTML/CSS, Javascript, PHP, C, Python, MIPS Assembly, Golang, Ruby on Rails

## WORK EXPERIENCE

### **Polyglot Labs, Griffin, GA — *Web Development Intern***

January 2019 - August 2019

Worked with Wordpress, PHP, Golang, Ruby on Rails, HTML/CSS, and JavaScript to create full-stack web applications for clients. Built fully custom Wordpress plug-ins and themes, integrated API functionality into PHP and Golang applications, and communicated with clients to design functional and elegant applications.

### **1888 Mills, Griffin, GA — *Product Development and Design Intern***

January 2019 - May 2019

Worked on the Product Development and Design teams to foster communication with clients, create a standard design library to send to potential buyers, and build a system to easily access open textile designs.

### **Kenan Institute for Ethics, Durham, NC — *Team Kenan Staff Member***

August 2017 - May 2018

Organized events focused on ethical issues relevant to Duke students. Executed a “guerilla ethics” strategy to foster ethical discussion on Duke's campus.

### **University of Georgia, Athens, GA — *Research Lab Assistant***

May 2017 - August 2017 and May 2018 - August 2018

Gathered data on aphid populations in sorghum stalks and earworm development in corn stalks. Consolidated information into a database for further statistical analysis.
